AUTHENTIC BEST LEADERSHIP™ CONFERENCE SPONSORSHIP

WHAT IS IT?

A one-day conference focused on developing authentic, effective, and intentional leaders. Explore how cultural values influence behaviors and perceptions and how these impact leadership presence. Gain tools of how to thrive in your career by leveraging your core values to get the results that you want.

In addition, have the unique opportunity to network and share experiences with other like-minded professionals and community leaders. Together, we will discover ways we can leverage our diversity to create better outcomes in organizations and in the community.

Starting off the 2018 conference

WHO SHOULD ATTEND?

Open to anyone looking to understand how culture impacts leadership and increasing leadership effectiveness. EDI's programs have an emphasis on the cultures of the Asian/Pacific Islander (API) and Hispanic/Latino communities.
